New, independent Guaranty Bank, opened just two weeks ago in Torrance, continues its month-long celebration contest until May 18.

Recipients of special announcements containing lucky numbers are urged to come in to the bank to register their lucky numbers before the contest closing date, according to D. P. Loomis, president. Numbers must be registered in order to be eligible for prizes. Additional lucky numbers are still available at the bank for South Bay residents who have not received an announcement in the mail.

CONTEST PRIZES include a color TV set, a hi-fi set, and hundreds of dollars worth of free Guaranty Bank savings accounts.

The new bank, located just south of the Del Amo Shopping Center has had exceptional success in attracting customers from the entire Southwest area, Loomis reported.

"We are very gratified at the response to the bank's opening," said Loomis. "We confidently expect that Guaranty Bank will be a symbol of service to the residents, business and industry of our area, because our philosophy of personal attention to each account is backed up by the many advantages independent banking offers to customers," he added.

ORGANIZED, directed and managed by local residents and community leaders, Guaranty Bank is the only independent bank in Torrance.

Henry C. Griswold is chairman of the bank's board of directors. Serving with Griswold on the board are D. P. Loomis, president of Guaranty Bank, Theodore E. Cummings, John F. Grube, M.D., James M. Hall, J. R. Higgins Jr., George W. Schneider, E. J. Sorensen, and John A. Wilson Jr., M.D.

Presently in interim quarters, the bank's permanent building is expected to be ready for occupancy in the fall. The building, with land and adjoining lot, will represent an investment in excess of \$300,000.

Guaranty Bank is offering full banking services, including checking and savings accounts, home improvement, automobile, business and personal loans, and credit and collection service. Upon completion of the bank's permanent building, safety deposit box service will be added to the bank's facilities.
